Netiquette guidelines

To ensure a smooth, engaging, and respectful experience for all participants, please follow these netiquette guidelines during the *Art + Youth + GenAI: Conversations for Change* online conference:

General participation

- Be respectful and professional in all interactions.
- Use inclusive and considerate language to foster a welcoming environment.
- Stay on topic and contribute constructively to discussions.

Technical guidelines and support

- Ensure you have a stable internet connection to avoid disruptions.
- Join the meeting a few minutes early to test your audio and video settings.
- Keep your microphone muted when not speaking to minimize background noise.
- If possible, turn on your camera during discussions to create a more engaging atmosphere.
- If you experience technical issues, reach out to us via the chat.

Engaging in discussions

- Use the chat function to ask questions or share relevant comments.
- Raise your virtual hand if you wish to speak during Q&A sessions.
- Allow speakers to finish before responding – avoid interrupting.

Sharing and recording

- The conference may be recorded for documentation and promotional purposes.
- Do not share screenshots or recordings without explicit permission from the organizers.

By following these guidelines, we can create a productive and enjoyable conference experience for all participants. Thank you for your cooperation!
